OUR HISTORY

We began in 2006 as the Greater Portland Construction Partnership (GPCP), a nonprofit organization with a mission of transforming workplace cultures to achieve incident-free construction projects. In 2013, GPCP became the SafeBuild Alliance, and we remain true to our roots and dedicated to achieving incident-free workplaces.

Today, SafeBuild Alliance members represent all sectors of the construction industry including general contractors, subcontractors, owners, public and private entities, design professionals, architects, engineers, construction affiliated organizations and companies, building and construction trade associations, industry vendors and insurers.

OUR VISION

Zero incidents through collaboration.

OUR MISSION

Provide support for and encourage highly collaborative and innovative cultures to achieve incident-free workplaces.

OUR OBJECTIVES

- Facilitate organizational transformation
- Be a resource for growth
- Facilitate increased communication among the construction industry members
- Create a forum for sharing and networking
- Influence public policy
- Reduce program inefficiencies by creating common standards used for all members of the industry
- Emphasize the value of a diverse membership
- Maintain a strong and vibrant organization to sustain the Vision/Mission/Objectives

RULES & SCORING

- The tournament format is a four-person scramble with a shotgun start.
- Each team member tees off in any order. The group decides which is the most desirable drive. The other three players pick up their ball and proceed to the location of the best drive. Play continues from this point, following the same procedure as above.
- Each team member may place their ball within one club length of the selected shot, but not nearer to the hole. If the shot selected is in a hazard, bunker, rough, fairway or fringe of the green, the other balls must be placed from within one club length of the shot selected and must remain in the hazard, bunker, rough, fairway or fringe of the green.
- You have one attempt to putt. If you miss, add a stroke, pick up your ball and move on.
- EACH PLAYER ON THE TEAM MUST CONTRIBUTE AT LEAST TWO DRIVES.
- Long drive contest must be on the fairway.
- KP contest must be on the green.

HOLE ASSIGNMENTS

HOLE	TEAM
1a	Platt
1b	Cochran
2a	OEG
2b	ACME
3	SPCO
4a	Omega Morgan
4b	Andersen
